The Premises:

Tall narrow steep stairway. Inside was a bit cramped too, but as long as there's a bed, the rest is immaterial in my book. Perfectly clean and safe. Entrance not all that discreet (not that it worries me too much), all the more so today, as it was Chinese New Year and Lisle / Wardour was very noisy and packed.

The Lady:

Sexy, Dark haired (curly), tanned, busty girl. Says from Greece, but I'd definitely say Russian. Limited English. According to the 'Soho Walk up thread' used to work in the RLD in Amsterdam, although I can't confirm this. Very hot, boobs do die for (not sure if they're real or silicone as they were so perfect), hot bum and shaved pussy. Smelt of roses.

The Story:

Limited conversation as her English isn't all that. Straight down to biz. Covered bj for five mins. rubbed her tits while she was doing this. Then she lubed herself and I fucked her in missionary for five mins. I got bored of this and asked her to finish me by hand. She wanted the johnny left on, but allowed me to suck her boobs while I was being tossed off. I climaxed after about three minutes of hard tugging.

Works here Mon, Weds and Fri and alternate Sundays. A good punt, and could soon turn out to be one of the faves in Soho. Prev fr's are to be believed, this girl is good. Next time I'll stay a bit longer.
