The Lady:

Christina is so sexy. This is probably the 7th time I have seen her in the last few months. She makes me smile and really rocks my boat. She always dresses very sexy with hot boots and stockings, complimented by a horny figure hugging dress. She has the best smile and enchanting deep eyes. What my neighbours must think when they see her... lucky bloke I hope! LOL

The Story:

Wow, Christina came to my house. She looked amazing in over the knee black boots, sexy stockings and the described figure hugging dress. As soon as she walked through the door she kissed me. Deep. My cock was hard in an instant. She had some even more sexy underwear with her and she offered to put that on. Who I am I to deny. Chrissy came back wearing some so so sexy white underwear. The sad thing is that it did not stay on very long.

The rest is for you to find out. Christina is sex on legs. Funny. Happy. And worth every penny. I just wish she was my girlfriend - but then we would never leave the flat.

Hug Angel... see you soon... very soon.. mwarr
