The Premises:

Very clean secluded flat, easy to find. Plenty of parking.

The Lady:

A truly stunningly beautiful lady. Her pictures do not do her justice. Very pretty with great breasts, and a soft sexy voice. Skinny chick lovers look elsewhere, but for those of us who like ladies with proper curves, Penny is wonderful.

The Story:

Soft, seductive, gentle, tactile; these are just some of the words to describe Penny. For her, it is all about the pleasure and sensation, and the build up to it. Being a newbie, I was nervous, but that soon went in her company. I wont go into specific details, as that was between Penny & myself, but lets just say I was on a natural high for a long time afterwards. I will be back sometime to sample Penny's deep, passionate kissing, soft curves and great boobs. Penny is highly recommended.
