The Story:

Nicole told me she was from Spanish and Brazilian parentage and she looked it, she is English with a very Yorkshire accent.

After being let in, usually chat over a glass of wine then off for the shower;

As I came out of the shower and into the bedroom Nicole was still fully clothed which was great as I do like to unwrap my presents myself.

Nicole does a very good blow job, and she is very attentive and willing to please.

She did promise to do something which I do enjoy next time.....but not this time, I may be back for it later but next time I may see a certain adorable short haired brunette at the same agency (do some nights in a month or so....lol)
