### The Premises:

Outcall

### The Lady:

Cute face and nice eyes but not nearly as good as pics. Could have been better dressed.

### The Story:

Arrived on time and had a pleasant attitude. Sandra has a fit lean, petite figure with small but pert breasts. To cut the story short the lady I wanted to see was not available so the receptionist recommended Sandra and I went with her suggestion. I am quite picky regarding my type and Sandra was definitely not my type. However, I went ahead nonetheless as my little brain had taken over by that point.

No FK only allows pecking on the lips, decent OWO and sex. I was tired not into the girl so passed on round 2. Called her a minicab and she wanted me to go down to the street with her - which I declined as she did not look like a girlfriend.
