The Story:

My Plan A on this day wasn't to be, so I found myself in Bedford with time on my hands and money in my pocket. It had been a while since I'd visited IM, so thought I would try my hand.

I'm glad I did - Susie was absolutely knockout. As far as I'm concerned she did everything right, and seemed to be able to follow my cue as to what I wanted without me having to spell it out, which made for a very natural feeling GFE encounter. Oral was covered. We finished the sex part with her bucking furiously on top of me. She seemed willing to try for second round, but I knew this would be futile (at my age!) so was content to pass the remaining time being massaged (very well) and just enjoying being with this delightful girl.

This was several notches above a typical parlour punt, in fact it was one of my best ever. It's great that there is somewhere local where you can drop in with no appointment and get service of this quality. It was good to see the lovely Sara on reception, looking just as gorgeous in her civvies!

Susie could become seriously addictive!
