The Lady:

I was very pleased by Claudia's looks. Slightly more petite than her pics and description let on. Well dressed and extremely cute.

The Story:

She arrived and asked to have a drink. I was not in the mood for the same and wanted to proceed with the matter at hand. She seemed a bit irritated at this but then went with the flow. We kissed - light FK and then proceeded to undress. She has an amazing all natural body with a nice tan complexion.

Proceeded with some decent OWO where I assured her to not worry about CIM after which she was slightly more enthusiastic. Proceeded to try various positions until round 1 was completed. She did not seem enthusiastic about round 2 but proceeded with decent owo and sex again. I was tired and she gave me a handjob to finish things.

I would recommend her without hesitation. Though I feel I did not have good chemistry with her. There was a misunderstanding at the onset of the session plus I think she was not too pleased that I did not start things slowly with a drink and chat as she would have preferred.
