The Story:

This is the first report i have ever submitted so bare with me please !

Firstly having visited a few girls in the past i can safely say emilie is gorgeous and incredibly sexy ! and without doubt the best i have had the pleasure of meeting.

Her flat is clean and safe and i felt very at ease there during my visit.

Now down to the good stuff ! We started with some very passionate kissing which is a really great way to start things, and then moved on to some fantastic oral (The best i have had ever by a mile) then she kindly excepted my offer to pleasure her down below, this was an incredible turn on for me as she was shaven with a very disscret piercing, Anyway it seemed to have the desired effect on her with lots of the right noises etc.

By this time i was literaly gagging to get down to it and despite my best efforts i didnt last very long oops !!! Still this just made me want to get back as soon as possible and try a bit harder LOL.

There cant be many girls out there as good as Emilie im sure of that! She is a very engaging kind person and sexy as hell ! so look after this one chaps ! im just working out if a remorgage of the house is possible so that i can see her every week !!!
