The Premises:

Discreet flat in terraced block. Not inspiring but bedroom OK. Shower did not work. No hot water & as I had been out all day working I really wanted to be clean.

The Lady:

5 ft 4 inches, slim, quite attractive, dressed in thigh length boots which she never removed.

The Story:

A complete disaster. Paid ?80 for one hour. Then asked for a quick shower - hopeless facilities so had to use soap & cold water in sink. This wasted 10 minutes. Offered massage but I said I wanted to kiss & cuddle, this was a mistake as she did not offer any form of kissing, I went to give her oral but this was extra apparently, I started to kiss her nipples but they were sensitive she told me, She then put condom on my flacid penis almost immediately and started oral & as I did find her body appealing I soon became hard, entered her & came quite quickly despite obvious lack of participation. As soon as this happened she dressed quickly - told me it was a one cum service. If you feel you want to visit Amy then pay for 30 minutes only & do not expect to feel anything other than fleeced of your money. I would say avoid at all costs.
