The Premises:

Spotlessly clean modern furnished apartment, in the town centre, absolutely safe - only draw-back was that I'd forgotten to bring my reading glasses: the bell system proved a little complex, but I got there!

The Lady:

Absolutely delightful young blonde anglo - all genuine, no surgical or other enhancement, and wonderfully silky skin. She is so much more attractive than her photographs, which cannot show the flash/glint in her eyes!

The Story:

Having surmounted the bell system, I took the lift up, and, magically, a door opened just before my knuckles hit it! Inside, hidden behind the door was Samantha, in heels, black stockings, a nice lingerie set, and a see through gown (doubtless to keep her warm).

I was sent, very nicely, to the bathroom, with a clean towel, and received back with a soft embrace and a wonderful kiss. Samantha, very tactfully, enquired whether I wanted to come quickly and again, and expressed pleasure on learning that I am now a "come once" bloke.

We kissed, cuddled, and retired to bed, where I had a good massage, with the naughty hand pushing in under. There then followed (at my choice) a very pleasurable vanilla owo followed by a talkative missionary to completion and then cuddle, caress and chat. There was just enough dirty talk to excite me - next time there might be a little more.

Samantha is delightful! I am very glad that I went to Woking on "her" day! Next time I will certainly hope for an hour.
