The Premises:

A very private apartment in newly refurbished purpose built flats overlooking Ramsgate harbour. Beautifully decorated and scrupulously clean this is a very well run and extremely friendly establishment that I have had the pleasure of visiting on enough occasions to make my Bank Manager sweat over his bonus payments.

The Lady:

If Smirnoff made ladies, Ava would be the result ... Stunning tall slim and busty, she has brown eyes you melt into as they stare erotically up at you from your lap, breasts that point further north than a compass and a pussy as tight as a little mouse's ear (with a neat little landing strip to guide you in!) Ava is French and her soft native accent on otherwise impeccable English is truly the icing on an incredible cake. She is however not just stunningly beautiful, she is a genuinely nice person, soft easy conversation, relaxed sensuality and a genuine interest in people makes her stand head and shoulders above any other girl I have met in over 20 years doing this. She is indeed as described in a previous report a diamond and every facet is flawless!

The Story:

Was met in the beautifully decorated and clean room by Ava with her usual sensual deep french kiss, her eyes flash as she smiles. Opting for my usual OWO Reverse O and (covered of course) sex. I have never been happier handing over one hundred pounds. Returning to the room (Ava always knocks - which makes me smile every time, but is further testament to her impeccable manners) Sexily dressed in a black sheer zip up bodice and stockings her long black hair dusting her face and falling around her bare shoulders she joined me on the bed, another deep french kiss and playful tongue wrestling her hands eased slowly down my body to my now straining cock, gently stroking she eased down to join her hand and took my whole length (both inches! - just kidding) down her throat. four of these made me wonder what we would talk about for the other 44 and a half minutes! After gently helping her out of her clothing and sucking those beautiful breasts for a while I licked gently at her gorgeous wet pussy which couldn't be sweeter if filled with honey and gently probed her tight little bum hole with my index finger then thumb. Ava is extremely responsive and genuinely enjoys her work, sex in several positions followed, my favourite with Ava being doggy so I can play with her arse and her knees up at her shoulders so I can look deeply into

those chocolate button eyes whilst filling her tight wet hole. I eventually came over her face and the contrast of thick white cum on shiny black hair was a wonderfully fitting end to an incredible experience.

Ava offers all services, she gives a better girlfriend experience than any girlfriend I have ever had and is truly the best I have ever had - It just doesn't get any better than this, treat Ava with the respect she deserves and you'll never want to go anywhere else! would I return? I'd marry her if I could - just based on the accent, for the personality and sex I'd marry her twice!!!
