The Premises:

In an industrial estate off the M60.

Clean and bright parlour.

They do uniforms and role play and all that kind of stuff.

The Lady:

Caprice is around 23, tall, blond, Shaven. Very slim with good tits and a good manner.

The Story:

I like the blonds.

Caprice does oral without so I got her to slide her mouth up and down my pole until it was nice and hard. I wanted to shag her without a Johnny but doubt she'd have agreed so didn't complain when she pulled the raincoat over my pole. Shoved it right up her and shagged her fast and hard. She took it well and I came after a while in missionary.

Good time. Worth the money. Recommended.
