### The Premises:

My hotel in the Paddington area of London.

### The Lady:

Good looking English girl, early thirties, very slim (which I tend to go for), dark bobbed hair.

### The Story:

First report I hav ever put on PN but as I have been using the site for so long to check out agencies and reports figured it is only by sharing experiences that this site works. So here goes. I saw Becky a little while ago and she is a very good GFE.

I paid Becky her booking fee when she arrived and her clothes were soon off and she had me in her mouth in no time. Her O technique is pretty good, I couldnt hold out much longer so on with the Jimmy and mounted her in missionary position. Pounded away for a while - she does look up at you and smile ever so sexily when you are doing her which was quite a turn on for me. Changed to cowgirl and shot my load after a fairly vigorous ride!

Nice pleasant chat afterwards, a good conversationalist and not at all rushed or any sense that she is a clock watcher.

A classic Essex girl - hope she dont mind me saying that....!
