### The Premises:

We stayed at a 4 star hotel in Harrogate. Easy Parking. Room ok - was a suite so separate sitting area.

### The Lady:

Bianca has a perfect figure, she works out on a very regular basis at the gym and it shows. Blonde Hair, 5'7" tall, 34b.

### The Story:

Havent seen Bianca for about 6 months, was well impressed when she agreed to accompany me to Harrogate. I picked her up in Sunderland and drove us down. We spent the entire journey laughing about this and that as well as chatting over what happened on our last encounter.

Arrived at the hotel just before 5pm and the plan was shower, change, meal and drinks (and then a female friend also from The Dolly Birds - Isobel) would join us for a couple of hours. As with all good plans it nearly worked, except we decided to have drinks before our meal - we downed quite a bit of vodka and before we knew it we hadn't eaten and Isobel would be joining us in less than 30 minutes. Mad dash scramble back to the room for showers and getting changed!!

Isobel joined us - she is very sweet and charming - she's only 20 years old but much better than a typical 20 year old. The 3 of us had a great time together, laughter and fun was aplenty. Isobel stayed for 2 hours and then left. Bianca and I decided it was time to return to the bar and continued to get as much alcohol into as possible! Unfortunately, Bianca was unable to fulfil "mission 2" - chat up and get the bar maid to join us hahaha....

This was an excellent night, Bianca is fantastic, up for any fun and I already miss her laughter. A truly genuine very nice girl who has the body to match. Would never hesitate in recommending or seeing again!

Thank you Monica (Bianca's pet name)
