The Premises:

Located near Enfield Chase Station. Flat is a dump, dirty, untidy and smelly.

The Lady:

Claims to be size 8, 5'5", 9st, 34F, mid 20's. Vicky is actually more size 12-14, 10-11st and mid forty's. Did not match description at all. Most of the pictures on her web site are of somebody else. Not pretty and wearing a lot of makeup.

The Story:

After the initial disappointment of Vickys looks, I still stayed to my eternal shame. I don't know what the fuck is wrong with me! I should have walked but in some misguided faith thought her service might make up for the looks and I felt I had to go through with it! Stripped off and Vicky gave me an ok massage. Oral without was good then doggy to pop. All the way through I was thinking of other beautiful ladies I have seen before. This was truly one of the worst experiences of my long punting career, not just because of what Vicky looked like, but because I still went through with it. I felt sick afterwards. Never again.
