The Premises:

Big numbers on wall outside and upstairs to a well appointed suite. Charming receptionist who showed to a nice room with 4 poster double bed. Price list on wall, may not be a good idea to have this around if raided.

The Lady:

Exotic woman who seems at odd with her half pakistani/half english origin. She really is beautiful and the webpictures do not do justice to her slim figure, great legs, bottom etc. I am not sure about the 32G enhanced bust, small breasts would be wonderful on her i think. 28 years old and quite experienced.

The Story:

Her lips looked delicious and sadly kissing is not on the menu. She was excellent re BJ, on top and other postions. It was a great morning punt despite the gloomy weather. Lovely girl.
