Sunita is a petite, busty Indian girl who is really friendly with a vibrant personality.

The Story:

This was a really good session. Sunita looked great wearing a red & black Basque which showed off her ample & lovely breasts.

The session started with a gentle and relaxing massage, followed by covered oral. Sunita then came on top which allowed me to enjoy her gorgeous breasts and nipples. We switched to doggy and this was particularly good. Another switch to missionary and then a slow hand job finish. A really eventful 30 minutes made more enjoyable because Sunita is very enjoyable company. I was very lucky because Sunita normally works on Wednesdays.
