Semi at the quiet end of a pleasant housing estate. Clean, safe, plenty of on-street unrestricted parking.

The Lady:

Early 40s, 36C boobs, nice figure with some modest handholds (11 stone 7), very cheerful and eager to please. Looked very nice in her little black dress (as I requested) with tights.

The Story:

Rebba (pronounced Ree-ba) always replied promptly to pre-call emails and gave me a warm welcome with an offer of refreshments. I was ushered straight up to her comfortable bedroom where she made it clear she was ready to start when I was. I like to chat a bit first, which she was very happy to join in with. Rebba french kisses actively and warmly, and we were soon enjoying mutual undressing and stroking. I gave her oral through her knickers, which she loved, and she started on the OWO, enlivened by the appearance of a can of whipped cream - wow! I had a go with the cream on her, RO, followed by some 69, sex in various positions culminating in more OWO to completion. I noticed that I had over-run slightly on time, Rebba did not hurry me out. Excellent, very natural and friendly lady with some interesting ideas on the creative use of food.
