The Premises:

Diana has a modern flat in a gated development on the south side of Leeds, near Morley. A safe area with good parking and easy access from the M62. Everything in the flat is spotless with tasteful furniture and decoration.

The Lady:

Diana is a tallish lady, in her late thirties, with feathery blonde hair. I am not good on sizes but well proportioned and dresses very well.

The Story:

Diana met me at her door in a white blouse and black skirt, below which I could see black stockings. I was offered the chance to freshen up and we started with a cup of coffee on the sofa in her lounge. All very relaxed and civilised. Very exciting to see the flash of her stocking tops.

We soon moved to the bedroom where I found she had on some very nice lingerie including suspenders. I was soon licking her sweet well shaven pussy and she was very happy to give me OWO to make sure I was rock hard for the condom. With her long stockinged legs up around my ears I soon came.

Lying on her bed chatting I soon started to firm up when she told me about the double acts she does. Diana then gave me a long lovely session of O with lots of eye contact and I finished off over her lovely firm natural breasts.

There was no clock watching or rush but as I had still had a long journey back to London I had to leave and get back on the road.
