### The Premises:

My Hotel/Apartment in Central Glasgow.  
Very nice; just like being in your own flat.

### The Lady:

Her description on her profile should have given me a clue; 36" legs but I was still very pleasantly surprised to see this very tall, good looking lady waiting at the door for me. The rest of her profile description is correct. Short-ish blonde hair, blue eyes, very nice figure; very alluring.

### The Story:

I got a sense of how much fun our meeting would be from the emails, texts and phone call we had setting up the date.

Lynne is a really lovely, vibrant woman. When we got in the apartment we chatted over a glass of wine, and then the kissing started; really nice deep french kissing; more like mutual urgent devouring at one point. Her long legs were stretched over my lap so I could feel the top of her stockings - I love that feeling; the stocking tops and the soft flesh of the thighs.

Anyway we moved to the bedroom and basically for about 45 minutes indulged in some pretty raunchy sex that encompassed (for those who like to read such things) mutual OWO, face sitting, rimming, anal play, sex in many positions, kissing, and mutual masturbation, but all occurring as part of the fun, one or many may well not have happened had we not clicked, so it wasn't a scripted piece of action, it was two people thoroughly enjoying an uninhibited time.

She said she came 4 times, who am I to argue? we both enjoyed ourselves and each other enormously.

We've already agreed we'll meet again
