### Details of Service Provider:

### The Premises:

A small room complete with black sofa and candles. A bin overflowing with used condoms and tissues.

### The Lady:

About 5foot five. A trashy Russian lady in her mid twenties. Black stilettos, suspenders and teddy. Pockmarked boat but quite amiable.

### The Story:

A famous photographer- Snowdon I believe said Russia is a factory of beauty. Now he was not referring to young Sam when he made these remarks. But what she lacked in looks she makes up for in good honest graft. She rips off me Hawaiian shirt and pants. Down on her knees and uses her mouth to pop on a rubber. Stroking my balls she has me soo hard I could drill through a steel safe. My hands found there way up her body removed her bra and squeezed those phenomenal breasts. I sat her on the edge of the bed and gave her an easy poling in mish. Then moved her to Doggie. I marvel at the incredible smoothness of her skin. Slamming it full force now her breath became short and raspy and I exploded in to her tight little quim. I will be back.
