The Premises:

Corner house on side street about 12 minutes walk from town centre. Slightly obvious signage (if you know the signs) but felt perfectly safe. Lived in house but sort of separate section for business inc bath and shower. Fine with lots of oriental touches.

The Lady:

Darlin is Tai and slightly more mature than guessed at but when she opened the door and I just wondered if she was the maid, I thought just my bad luck if she is not who I get to see.

But the working girl was late in and I was lucky.

Very attractive face and spectacular body with enhanced boobs which do not feel real. Really nice manner which relaxes once she is happy you are an ok person.

The Story:

Quite serious massage even though I pushed for front massage only (missing out on body to body she explained).

This went on a while with her dressed and I was starting to wonder if this, perhaps with a hj, was the full extent.

But then the dress came off and I had access to her lovely big nipples and we kissed on the lips increasingly often.

The ow with wandering fingers then off with the pants for reverse cowgirl and then mish when Darlin apparently came.

That hj now did appear for a very satisfactory ending.

Nice time and a lovely character to get to know.
