The Premises:

A small, very clean, modern, comfortably furnished flat in a quiet safe area near the town centre. You will need to park in the Woodside Car Park by the Queen Mother Theatre on the Walsworth Road and make a short walk. It'll cost you 80p for 2 hours. Give Mimi a call and she will guide you to her flat.

The Lady:

Mimi is Chinese and in her 40s but certainly does not look it and I am not just saying this. She has a smiling, beautiful face and a wonderful figure. She's about 5'4" tall, slim but with a 36D bust and long dark brown hair. About a dress size 10 I would say but she really is a good looking woman.

The Story:

Mimi gave me clear directions to her flat which is on the 3rd floor. She welcomed me in lingerie in which she looked stunning. I couldn't believe my good fortune to have found this woman. I accepted a glass of orange and we sorted out the financials. The hour plus (she is certainly not a clock watcher) just flew by. I paid an extra 20 for OWO which couldn't have been better and was worth every penny. Everything that followed was superb and excelled all my expectations. It was the very best GFE and I will return just to see if it can be surpassed. I cannot praise my experience with Mimi enough. She is listed in the 'other place' as Asianstunner40s if you want to check out her photos and profile.
