The Premises:

Place is easy to find and just down from Bound Green Station. Easy parking at this time of day, not sure about later. Felt safe and very nice road.

The Lady:

Ivon... Wow.

Slim, petite, nice breasts, nice smile, warm and friendly. Guessing about 5ft 4" approx small frame.

Sex on legs!

Not shown on web site but I think that it needs an update as others shown are not all still working there.

The Story:

I had been here in late December just before Christmas and seen another girl and I will retrospectively report on her later.

Ivon is just the sort of girl I find really attractive. Small, slim, nice breasts. Not sure of breast size but they were big enough and natural, but not too big. Not small either. Great body indeed.

Magic Hands has been reported on here in the past. It is not for full on intercourse it is, as reported previous, a rub and tugg... I love that expression..

Ivon is great at massage. Not the best but pretty good. She really got into this. Not full on body to body massage but close to.. as she was massaging I was running my hands up and down her legs, when they were in range :-)) and they are amazing. I wanted to, at this point, ask her to jump onboard but they dont do that, or I dont think that they do. She is soooo sexy.

Closer to the happy ending I tunred over and was allowed to play in the garden and have to say her fruit are wonderful, upstairs and downstairs. Such an amazing turn on.

I really wanted to pay some extra, for some extras, at this point but on this occasion I just went with the flow.

What a girl.. I have thought about this hour, on numerous occasions since and have a smile on my

face recounting the story.

I would definately go back and I am sure, sooner rather than later. Pay day treat.

I gave her a fair sized tip at the end of this as well.... Taken by the moment..!!

Not cheap when you think that you can have a full on experience in other places for this or less, but it was a quality hour...

Would definately say give it a go... May bump into your there next time :-)
