The Premises:

Very Nice. Easy to find. Just down from Bounds Green Station. Parking fine although on this day the snow was everywhere and it was difficult to stay upright... walking along I mean!

The Lady:

Agnes is tall.. Well I think so,, Probably 5ft 6 or 7"

Very slim and small breasts but nice all the same.

The Story:

Agnes was my first visit to Magic Hands. Having read about it on this site and seen some positive reviews I headed out to find it.

Was offered the choice of a couple of girls and chose Agnes as she was tall and slim. All the girls were nice though. It was a very busy afternoon as I remember..

Sorry that this report is coming in so late after but I had decided not to report any longer but since changed my mind..As I just put another report in for another girl at MH I felt that I should "do the right thing" and give Agnes a shout out as well.

So I paid Agnes for one hour which was ?40 or ?50 I am not sure, cant remember. As we got into it I asked her if she would underdress, as up to now she was fully dressed, doing a good job though. She did this and I said that I would pay the extra ?20-30 whatever it was. I am sure that I paid her ?70 in total.

This does not include sex and I dont actually think that they do this. It is massage and then a happy ending.

Agnes has a great body and she is friendly and nice. I her a real turn on and was very happy in the end! :-)

I would go back to see her again but need to see the other girls there first. Very highly rate Agnes though.
