Usual place. Not Buckingham Palace, but could do with a clean up.

The Lady:

Everyone knows what she's like now. A bit overweight, but bubbly a cheerful.

The Story:

I really like visiting Cathy. I went for the usual blow job, which she combined with a hand job and gave me the best orgasm I'd had in ages.

One thing she could improve on though, and that's helping to clean a man up afterwards. It's a service Sharon nearby offers, and would make the experience more pleasurable, especially as I'm always quite sensitive and ticklish down there afterwards!

But apart from that a good punt. Looking forward to getting my balls soaped up as Cathy promised me next time!
