The Premises:

as mentioned before, good location and well appointed rooms and a good system. Will it be affected by the new law on 1.4.2010, not sure. ?45 is usual rate for basic and kissing and oral without would cost me a bit more.

The Lady:

Lovely indian lady with a pretty face, very long, lushious black hair with brown streaks and a 10-12 figure, about 5f2in i think. Tummy perhaps not toned up and she worried a bit about it, though it did not matter to me.

The Story:

Bubbly, very chatty lady and it was fun listening to her as well well as deep french kissing with her most wicked tongue. Her BJ was nearly too good and i had to ask her to hold back. She was most willing in various positions and i could not get a time extension as demand was building up for her. I think she will do well, considering her first day in a new city. I am so pleased that i stopped to say hello; only polite you know guys ;)
