The Story:

Not the first time I've visited Kate and was met with a warm welcome and friendly chat.

After worshipping her beautiful feet and legs then moved on to being tied to the cross and my nipples had some much anticipated attention. After that was tied to the whipping bench for some delightful flogging to stimulate the senses.

Sat on the bed to receive a few kicks to the balls which I hadn't tried before and found more arousing than painful. Was then tied to bed and treated to a glorious view of Kate standing over me wielding a flogger which flicked all over my body.

The session concluded as expected and was a very pleasurable experience. Thanks Kate.
