The Premises:

A discreet flat in Wellingborough, there was parking outside but I opted to park in town and walk there. Very nicely furnished, warm and comfortable.

The Lady:

Slim mixed race lady, looked to be early twenties. Great skin and long dark hair, Sasha was wearing a red negligee and heels that left little to the imagination and looked absolutely gorgeous!

The Story:

Wow! Sasha is a really fantastic lady. I have seen Sophia a few times and she recommended her new 'employee' to me, after looking at the photos on the website I decided to take the plunge and it was well worth it. From what Sasha said she is fairly new to the escorting game but used to work as a pole dancer. On arriving she offered me a drink and we sorted out the cash side of things, she was warm and friendly and had a very naughty twinkle in her eye. Then after a quick call to Sophia to let her know I had arrived, we got down to business. She is a very sexy girl, we had some lovely lingering kisses, she then undressed me and gave me fantastic oral without, after returning the favour(which she seemed to enjoy very much) it was on with the hat and time for some very enthusiastic sex with her on top. I managed to hold off for a while (god knows how with that sexy body bouncing around on top of me) I then pulled out and she let me come on her beautiful breasts. Needless to say I left a very happy man and will be back for more.
