The Premises:

Working flat, shared with another girl (who I did not see) Clean, cluttered and friendly. Felt absolutely safe (and close to hospital if disaster had struck!)

The Lady:

Destiny's web site photographs were taken in December 2005, which slightly worried me. As it happens she has not changed at all since then, and the photographs taken so long ago, show her as she is today! This is a pretty girl. Very touchable. Slim, soft skin, small breasts (her own), fine, quite long hair, and the smile! Her site says she is 22, A-W 26 - I'd credit the latter.

The Story:

I asked "It is ?130 for the hour, isn't it?" and amazingly she said, "No! It's ?120, but if you want the lap-dance that's another ?10!" Photography was another ?20.

The room was too small for a proper lap-dance, but, to a friend's music, played over cell-phone, it was still fun! Destiny isn't into missionary, but otherwise she gave me a very nice vanilla OWO followed by enthusiastic cowboy.

A pleasant encounter, and she was incredibly patient over three or four calls in guiding me to her door.
