The Premises:

The HOD flat on Lower 12th is very good - from the door to the bedroom anyway! Easy entrance and evening parking is free but leave time to find a spot. Good bard and cafes nearby if you need sustenance afterwards

The Lady:

Elise's photos are accurate as are all HOD's - she's a gorgeous slim blonde, small tits but very nice too, lovely easy going manner, Hungarian but English fairly good certainly ok to converse and understands all matter sexual - faultless really if you're ok with slim

The Story:

I wouldn't normally do a report on a lady with a heap of positive FR's - not much point but I can't help it this time. My punt with Elise was sheer heaven, she's probably the most enthusiastic and energetic girl I've shagged - she got fabulously wet from prolonged RO and gave very convincing signs of orgasm. Gorgeous all over, lovely tight pussy, enjoys touching and licking everywhere and kisses like a demon. We did the usual positions and they're very easy with Elise as she's so fit.

Elise's OWO is wonderful and after a really good fuck she gave me a wonderful finish with a bit of surprise for an old git like me and I promise to be more careful next time Elise - sorry :-)

And of course it must be said that HOD is great VFM
