The Story:

Knew from previous reports that Giselle was gorgeous, so was a bit nervous at first but as we clicked mainly physically everything was just perfect.

Giselle sat on my cock massaging it moving to and fro with her crotch, then we kissed for a bit - she mainly kisses on the lips - but as she gets hornier may perform more passionate kissing which she did with me -

we had a bout of 69 and her pussy smells and tastes divine. On with the rubber for sex with missionary first - couldnt resist sucking on her sexy toes. This got me real hard ready for some mish action. Next got her on her hand and knees and as she looked so damn sexy in this position had to go behind her to lick her pussy. Got rock hard again so gave her a good pounding in doggie encouraged by some filthy talk. Later she gave me a slippery handjob with lots of spit (the way I like it). Finally came wanking off looking at her best asset - her beautiful face.

Thanks for a great time, giselle and im sure I will see you again soon enough
