The Premises:

Lower flat on a quiet side street. Good parking away from main street but easy access to main roads.

Very clean and safe flat. Clean bedding, luxury bath and shower facility, tv in room.

The Lady:

Two ladies, both in mid to late 30s. One is brunette, petite and busty, the other taller, blonde and even bustier.

Both had great figures with fantastic tits, curvy and a real dream come true.

The Story:

Was greeted at the door by the brunette, dressed in stockings and basque. Led into the bedroom where she immediately got down to business. Very much into role playing and very theatrical, which was great as it helped with the mood.

Enjoyed a long, slow blow job and was soon sucking her tits and shagging her over the bed.

It was then that the blonde walked in, expressing 'outrage' at her actions and insisting that she showed us how it should be done!

Next thing she was riding my cock too, while the other girl tickled my balls and shoved her tits in my face. Amazing! They soon had me exploding in ecstasy! I did not even last long enough to see the blonde use her strap-on!

I have to say a fantastic experience from 2 great girls and will be back very soon to sample more!
