### The Premises:

Outcall

### The Lady:

Very slim and sexy - though her arse does show evidence of prolapse, so if you like anal, you may want to go elsewhere

### The Story:

Lovely girl. She was very happy to do whatever pleased me. I played with her fanny, she sucked me off and then I fucked her - what else do you want! I was keen to stick my fingers up her arse, but she wasn't into that - but by the look of it, I think I was the perv!
