The Premises:

Located in a flat on London Road, town end near Midland Road, you go in through a door round the back, so its not to obvious.

Flat and room you go in are clean and tidy, offered tea/coffee and she makes you feel very safe and welcome.

The Lady:

Early 20's, lovely face, gorgeous curly hair, nice sized natural boobs, great body and nice playable pussy. I really found this girl sexy, just what I'd go for on I night out (ha ha, like she'd give me the chance!).

The Story:

Fortunately, today, I had enough money for massage, oral and then sex. Yesterday was good (see Tiana) and that was fantastic, but today was better cos I had more treats! Again lots of attention and playing around, she also like Tiana stopped for a while to stop me 'going to soon', fantastic sexy girl and they certainly look after you, physically and professionally. I will be visiting this place again when I'm next in Derby, to see her or another of the girls (there was an Asian girl there when I left and she looked stunning ? make sure she's there next time for me? x).
