The Premises:

We met in a local hotel, so nice, clean, safe & discreet.

The Lady:

Anna is in a word, beautiful. She is better in the flesh, than her pictures.

The Story:

We did oral both ways, anna on top, me on top of anna, finishing with me cumming over Anna's nice boob's. We lay cuddled together for ages talking and feeling each others bodies. She is a stunning lady, very vocal and gives great GFE.
