The Premises:

Very near Parkside in Dollis Hill area of Willesden. Safe area. Inside was nothing special but clean enough and fit for purpose.

The Lady:

I had already seen Sabrina's pics from Another Website where she also advertises as Arabella. The pics are genuine, she is a very slim, sexy brunette, slightly tanned with firm, toned legs and tight waist.

The Story:

Boy oh boy did I want to enjoy this, coz she is appealing to men who like slim but fit, toned women. Unfortunately the service was terrible. I was eager to get my hands on those lovely legs of hers but she was so unresponsive and cold I couldn't even get hard. She has a terrible attitude, I knew I was wasting my time so I got dressed and left. I am absolutely sure she is Romanian despite her claims of being Hungarian. It's such a shame coz she is facially pretty and has a really firm tite bod. I was so wound up & in need of relief that I made a booking with the sexy Agnieswka of west Acton immediately after (and where I was satisfied but that's another story).
