The Story:

I'm partial to taller ladies and have been with a few mature ladies in the past so when I came across Angie (no pun intended) I gave her a try. With mature ladies I add in a bit of role play, which they must get pretty frequently as she was ready to roll with whatever. Decent bj and sex - about what you would expect with fucking a 40+ yo lady. role play adding some interesting spice but all in all enjoyable punt. Nice lady - good way to spend the afternoon
