### The Premises:

Intimate Massage is a very good establishment. It's a clean & comfortable environment with friendly staff. You might feel a little uncomfortable going in the front door but there is also a more discrete back entrance.

I think you'll struggle to find many places better than IM

### The Lady:

Susie is a very pretty & sexy brunette with a lovely tanned body and an incredibly beautiful & infectious smile. She's friendly, funny, and always wants to know how best to help you enjoy your time :)

### The Story:

I've generally been too lazy to write one of these but I've always appreciated everyone that does. I thought it was about time I gave something back to PN, Intimate Massage & Susie (who I've seen a number of times now)

If you're looking for a great time with an amazing girl this is for you....just be aware that after you've spent time with Susie there is a danger you'll end up wanting to spend all of your spare cash going back for more!

If you've got the time & money then go to IM and see Susie. You'll leave with a smile on your face ;)

(Don't take up too much of her time though guys because I might miss out!)
