### Details of Service Provider:

### The Premises:

Usual Soho walkup - this place has been reported on many times before

### The Lady:

Tall slim(ish) blond. From Italy apparently. Big but saggy tits.

### The Story:

Paid her ?25 for 10mins sex (+ ?2 for the maid). As she dissapeard out the room with the money I noticed she has bruises all up legs - not very attractive. I wish I had just left then!

Before I had finished getting undressed she was rushing me reminding me I only had 10 mins. She undressed, took her bra off and her tits hit the floor they were so saggy. Walked over to the bed, went to sit down and was told to walk round to the other side where she shoved a condom on without me being even slightly hard. Difficult to get hard with her nagging and rushing all the time. I had only been here about 2 minutes.

When I got going she lay there and made the occasional noise in between telling me to hurry up. In the end I just got up and left. Waste of money.
