The Premises:

Slightly seedy walkup in a quiet street. Decor somewhat run down but that's not really what you're there for...

The Lady:

Slim Eastern European lady with dyed blonde hair, wonderful tits with perky nipples and a gorgeous shaved pussy. Late 20s and very pretty, worth a look.

The Story:

Door opened as I arrived and saw Chloe in a short black negligee. Didn't have much time so went for French and sex so it was on with the rubber and a vigorous BJ. I'd seen previous FRs saying she was a bit cold so took a gamble going there but after a bit of mish I got into my stride and she responded. Seems to be a girl who only gives if you put some effort in first. She encouraged me along and after a short time with her tickling my balls I emptied the tanks into her gorgeous pussy.

Apart from the cold start, she was a good punt and well worth a go, but only if you're prepared to put some effort in as well.
