The Premises:

Cozy ground floor apartment in a quiet, safe neighbourhood within walking distance of tube station and busy road. Numbering along the street was slightly confusing to the cabbie, might be easier to find on foot. Discreet entrance.

The Lady:

An athletic, slender beauty who takes good care of herself. Photos on her site are recent and very accurate (but don't show her bright smile unfortunately.)

The Story:

Although it was my first visit to Camille, I took a chance on a longer booking because of her advertised home cooking - never had a WG cook for me before! I was very happy I did... Camille treated me like a prince, with a hot bath and an excellent meal waiting for me as well as a bed strewn with rose petals.

Camille spent a lot of time setting up the date with me through mail and phone calls and her attention to detail, from the drinks served to the pillow play, was amazing.

It was a sensual GFE from the moment I entered, unhurried and very sexy. She spent most of the evening dressed in nothing but her Agent Provateur stockings and kissing me with abandon. A very memorable visit!
