The Premises:

Well reported flat in Berwick Street, on the second floor. In spite of it being a busy area, you can slip in an out without too much trouble (pardon the pun).

The Lady:

Susie is blonde, eastern european and tall, with petite features. She is sweet, keen to give pleasure and has very soft skin. The description of her is more than accurate, and she is a real gem.

The Story:

A really good value punt, with an excellent girl. Toy show was fantastic, she really seemed keen to please, and her BJ (covered) had excellent technique. Sex was great with her, and all in all she is a sweet girl who knows how to make you happy after a crappy day!
