The Premises:

Really nice place and very clean. No issues with parking at all and felt totally safe all the time. Excellent shower facilities. I have learn't that to be able to get the best out of these girls always always be spotless, so I took a shower to impress....

The Lady:

Kelly is a very sexy girl. Curves in all the right places. Her tits are amazing with very very suckable nipples. Her pussy is shaven and very sweet.

The Story:

Simple really, I opted for a GF experience and I got it. Lots of hugs and kisses with plenty of fondling. Kelly soon had my meat in her mouth and boy did I not want to take it out, after a short while I had to stop her or I was going to explode. We then went into a 69 and I loved licking her pussy and ass, very very sweet, she gave the impression she was enjoying herself and let out plenty of moans as she came on my face. I wanted A fun but its down to Kelly's discretion! Bingo it turns out having a average size is actually better for me than a huge one! She allowed me some A fun. My god it was heaven, I proceeded to take Kelly doggy style and was on the verge of cumming, she whipped my cock out of her ass, pulled the condom off and sucked on my manhood. I exploded in her mouth and she lapped every bit of my juice up. I'll be back for more very soon. Kelly also has a GF so I will also love to try a 2 girl session soon.
