The Lady:

Aleena is a sexy, petite brunette with small tits. Very slim and a great ass

The Story:

This girl is amazing! I paid for the basic 10 mins sex service but got much more.

As I sat on the bed she told me she will be 'special' as I have visited her a few times now. On with the condom, closely followed by her mouth. After a few mins of covered oral and deepthroat we moved onto doggy. Once she had worn me out I lay down on the bed while she finished me off by hand, turning herself around and spreading her legs so that I could play with her pussy. A proper GFE.

Look after Aleena and treat her right and she will do the same in return. Took a chance yesterday with a new wg and it was a waste of time and money - From now on i'm sticking to Aleena where I know the service will be great.
