The Premises:

Area OK, flat a little shabby and grubby.

The Lady:

Small slim Thai girl, not very pretty

The Story:

She was very un-enthusiastic, although advertised as enjoying 'French kissing' she made it clear it wasn't on the menu, she didn't want to be touched! I wasn't impressed with the cleanliness of the place (or her) so opted for hand relief, she made it look like an extremely boring task - Whatever you do AVOID!
