The Lady:

Elizabeths from Dominica, Nice face. Shes go Light brown skins, very full figure at least size 16 and a huge butt which is the reason i visited. however she had a few scars on her breasts and from childbirth

The Story:

After sorting out the paper work Elizabeth joined me and started to undress whilst i had a play with her arse. play time started with Covered oral which was ok had to tell her to be gentle with the little fellas. proceeded to sex in doggy position so i could grab her bum again. Then after she wanked me and played with my balls and i finished myself off when i felt myself coming. she cleaned me up too. By this time i still had around 15mins left i was offered a massage which i decline because i was in a hurry todo xmas shopping.
