The Premises:

Basement flat - bit scruffy - but fit for purpose. Hard work getting access -- eventually opened the door.

The Lady:

Monique looked nothing like the photos - bait and switch or Generic. Other site said she was Hungarian and showed a slim blonde - - she was a Polska slightly plump but attractive, nice large love cushions. I asked why they deceive like this - she didn't seem to understand

The Story:

Got the admin out of the way and a shower - asked to strip off. Very enjoyable OWO through to pumping my paste right in the face. She took it well and discreetly spat. Was going to have a second pop but was a bit late and just thought she wasn't worth trying for a second time. Friendly enough girl, but one of many generic bolt holes containing variable quality ladies. Should have stuck with a recommended one or an agency, usually can't go wrong. Only recommended because of the cost.
