The Premises:

Outskirts of Exeter, easy parking, easy to find, clean, tidy, warm, modern appartment. The kind of place you'd be happy to visit day or night without worrying about being spied on.

The Lady:

Very friendly, chatty, down to earth lady aged mid thirties. Size 12 I'd say, very clean and comfortable with herself.

The Story:

Quick visit to bathroom, into the room for chat, snog and then intense 30 minutes or so. I am certain that she enjoyed the meeting as much as I did. I have made "visits" numerous times in exeter, and each has been crap. This was excellent in terms of value, security and enjoyment.
