The Premises:

ok looking house, i have been here a few times before and have always felt safe.

The Lady:

michelle is stunning 'sold' as being 24 a size 8 34c and 5' 7" however she is very petite probably about a size 6 a b cup and no taller than 5' 4" and not as old as 24 which is strange as working girls are usually reknowned for reducing their ages. never the less stunning petite and stunning.

The Story:

this was the second time i had spent time with michelle and on thhis occasion she asked if i'd write a report for her stating it would take me two minutes (this has taken me slightly longer). I paid 90 fo some oral without with completion in the mouth which was absolutely sensational nothing more nothing less. had some minor massage, kissing and cuddling here and there but the majority of time was spent with michelle pleasuring me in all different positions.

Money well spent and i'm sure i'll be returning once again to see her again, (and will make sure i tell her this took more than two minutes).
